SUBJECT: KEIRO SENIOR HEALTHCARE SERVICES

Dear Ms. Ibanez, Mr. Sumner, Mr. Breckler and Ms. Loftus:

This letter is in regards to California Senate Bill No. 1094 which was vetoed by the Governor last year.

On September 29, 2014, Governor Edmund G. Brown Jr. issued a veto message regarding Senate Bill No. 1094.

In reviewing Governor Brown's veto message, he stated;

"...For nearly two decades, the Attorney General has had the authority to approve, deny or place conditions on these transactions in order to evaluate potential impacts on a community's access to health care services, and safeguard - as much as possible - those assets that have been held in the public trust. Occasionally, disputes pertaining to the conditions of approval arise after a transaction has been approved, and the Attorney General must appeal to the courts to impose the remedy."

The Ad Hoc Committee to Save Keiro requests that the Office of the Attorney General immediately seek to enjoin the current sale of Keiro Senior HealthCare assets to the Pacifica Companies. We believe that it is in the public's interest for the Attorney General to hold a public

hearing on the matter in light of additional information uncovered subsequent to issuance of the Conditional Approval by your office.

Please contact us to discuss this matter further.

Sincerely,

Charles Igawa, PhD  
Chairperson, Ad Hoc Committee to Save Keiro
